S. V. SHARMA,
Paddy Special Officer.

OFFICE OF THE JUNIOR ASSISTANT BOTANIST, GOVERNMENT EXPERIMENTAL FARM, HIRIYUR.

Notification dated 19th June 1939.

Sealed tenders for the supply of undermentioned feed articles to the Government Experimental Farm, Hariyur, for 1939-40 about (3 miles from Hiriyur and 28 miles from Chitaldrug Railway Station) will be received in the Office of the undersigned upto 2 P.M. on Monday the 17th July 1939.

2. The tender should be superscribed tender for the supply of feed articles to Babbur Farm and the rate offered should be per maund of 28 lbs. in the case of rice bran and cotton seed and per palla of 100 seers in the case of common salt including the cost of delivery on the Farm.

3. The tender should accompany an earnest money of Rs. 50 in cash.

4. The acceptance or rejection on any tender rests with the Assistant Director of Agriculture, Chitaldrug, whose decision will be final in the matter without assigning any reason therefor.

5. The earnest money of successful tenderer will be retained and those of unsuccessful tenderers will be returned at their own cost on receipt of information from the Assistant Director of Agriculture for acceptance or otherwise. The earnest money so retained will be adjusted towards the cash security to be furnished by the successful tenderer in fulfilment of the Contract.

6. The successful tenderer will be required to execute an agreement on twelve annas stamped paper and must deposit a cash security of one-fifth of the value of the articles to be supplied by him within a week from the date of acceptance of tender.

7. The contract should be for about 12 months, *i.e.*, up to end of June 1940.

8. The articles should be delivered on the Farm and the articles delivered must be pure and free from mixture. The weight and measurements of the Farm must be accepted as correct.

9. The tenderer should agree to supply the articles whenever and indent is placed with and for the quantity ordered. If the supply thus made by him is not approved by the Junior Assistant Botanist, in charge Babbur Farm for their quality he must take them back at his own cost and arrange to supply fresh articles and if not, the articles required will be purchased in the open market at his risk and the contractor is bound to make good the loss incurred thereby.

10. The quantity mentioned in the schedule is only approximate and cannot be guaranteed and in case more quantity is required the tenderer is bound to supply them at the tendered rate.

11. Failure to comply with any of the above conditions on the part of the successful tenderer will entail not only the cancellation of his tender but also forfeiture of the amount deposited and he will also be liable to make good any loss incurred by Government by calling fresh tenders or by purchase of the articles in the open market.

SCHEDULE.
